Press release 4/2020

**WINAICO announces new Full Black module with 330 W for the European market**

*The monocrystalline solar module combines aesthetics with high efficiency*

Creglingen, 19.11.2020 – WINAICO Deutschland GmbH, a subsidiary of Taiwan's largest solar module manufacturer Win Win Precision Technology Co., Ltd., will introduce a new, higher watt class of its WST Full Black series in December 2020: The monocrystalline WST-330M6 Full Black module stands for compact design and high efficiency.

Its completely black appearance makes it perfect for aesthetically demanding projects. The photovoltaic module consists of 60 cells and has an efficiency of 19.84 %. With dimensions of 1.665 mm x 999 mm x 35 mm and a weight of 18.6 kg, it is particularly suitable for use on smaller roofs.

"The compact module dimensions together with 330 W output are ideal for the best possible roof occupancy while adhering to the 10 kWp limit in Germany. The module also fulfils the wish of many private system operators for a sophisticated appearance. In addition to our linear performance guarantee and the product guarantee for 25 years, we continue to offer our comprehensive insurance cover for the complete photovoltaic system, with the 1st insurance year being free of charge when purchasing WINAICO modules", says Marc Ortmanns, Head of Marketing & Sales at WINAICO Deutschland GmbH.

## **WINAICO – Manufacturer and system supplier**

As a global PV brand based in Taiwan, WINAICO manufactures and distributes crystalline high performance modules worldwide. Furthermore, as a systems house for photovoltaic, WINAICO delivers complete PV system packages.

Target customers include solar specialists, solar technologists, installation specialists and project developers. Installation specialists profit here from the superior product quality of products manufactured in Taiwan in accordance with the highest quality standards, as well as from the comprehensive consultation, planning and maintenance services from WINAICO. Generous stock levels ensure the rapid availability of WINAICO products.
